Gentlemen:

This is to advise that on October 28, 1982 the Gulf Oil Company's ✓
Eddy GR State #1 Atoka gas well located in Unit E of Section 16, Township 23-S,
Range 28-E, Eddy County, New Mexico was disconnected from El Paso Natural Gas Co.'s
gathering system. This meter is blind plated and will remain on location
temporarily, but inoperative, until permanent status of the measuring arrangement
is determined.

This disconnection was due to inability of the well to produce into
El Paso's South Carlsbad gathering system. (Meter #58-136-01, Site Code #26757-01).

Yours truly,
