Gentlemen:

This is to advise that on December 9, 1980 the Maddox Energy Corporation's Pardue Farms 27 #1 Morrow gas well located in Unit H of Section 27, Township 23S, Range 28E, Eddy County, New Mexico was disconnected from El Paso Natural Gas Co.'s gathering system. This meter will remain on location temporarily, serving the new zone, until permanent status of the measuring arrangement is determined.

This disconnection was due to recompletion to Bone Spring oil zone. The new Bone Spring zone will be connected to El Paso Natural Gas Co.'s gathering system.

Yours truly,
