17. DESCRIBE PROPOSED OR COMPLETED OPERATIONS (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

We sincerely request that our permit dated August 10, 1978, be extended until December 15, 1978. The original permit expires November 10, 1978. The reason for the delay was that we were watching our other wells in the lease to see what they would produce.
