

INSTRUCTIONS

This form is to be filled with the reports of the District Office of the Department, not later than 10 days after the completion of any newly-drilled or deepened well. It shall be accompanied by a summary of all electrical and rock-spectroscopy logs run on the well and a summary of all special tests conducted, including fluid-flow tests. All reports received shall be numbered by this office in the order of directionally drilled wells, true vertical depth shall also be reported. For multiple completions, Items 3a through 3d shall be reported for each zone. The form is to be filed in quadruplicate except on state land, where six copies are required. See Rule 115b.
