RE: Meter #58-393-01

Gentlemen:

This is to advise that on July 14, 1982, the HNG Oil Company's New Mexico State 16 #1 Atoka gas well located in Unit B of Section 16, Township 24-S, Range 28-E, Eddy County, New Mexico was disconnected from El Paso Natural Gas Company's gathering system. This meter is blind plated and will remain on location temporarily, but inoperative, until permanent status of the measuring arrangement is determined.

This disconnection was due to the well being plugged and abandoned.

Yours truly,
