Gentlemen:

This is to advise that on November 7, 1980 the Dinero Operating Company's Big Chief #3 Morrow gas well located in Unit J of Section 21, Township 22S, Range 28E, Eddy County, New Mexico was disconnected from El Paso Natural Gas Company's gathering system. This meter will remain on location until permanent status of the measuring arrangement is determined.

This disconnection was due to recompletion to Atoka zone.

Yours truly,
