Gentlemen:

This is to advise that on September 20, 1984 the Maddox Energy Malaga #1 gas well located in Unit G of Section 3, Township 24, Range 28, Eddy County, New Mexico was disconnected from El Paso Natural Gas Company's gathering system. This meter is blind plated and will remain on location temporarily, but inoperative until permanent status of the measuring arrangement is determined. The disconnection was due to recompleting from the Atoka to the Malaga Morrow zone.

Yours truly,

Robert Patterson  
Production Coordinator
