Gentlemen:

This is to advise that on November 5, 1981 the Yates Petroleum Co.'s North Crooked Creek Fed. KG #1 gas well located in Unit J of Section 27, Township 23S, Range 24E Eddy County, New Mexico was disconnected from El Paso Natural Gas Company's gathering system. This meter will remain on location temporarily, but inoperative, until permanent status of the measuring arrangement is determined.

This disconnection was due to inability of well to produce into El Paso's gathering system. (Meter Code - 58-333-01)

Yours truly,
