12. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

Sun Exploration & Production Co. took this well over from Mobil Producing TX & NM Inc. effective 4-1-89. There has been no work done on this well since February 17, 1989.

Attempt a circulation squeeze across the Atoka to eliminate the drilling mud and shale production problems as in previous completion attempts.
