Previous plan to re-enter and test the Morrow formation for gas was approved on December 11, 1996. A copy of the approved APD is attached.

This sundry notice is being sent due to a change of plans. The subject well will be re-entered and a horizontal completion in the Delaware formation will be attempted. Approval from the NMOCD for a horizontal well, as well as information provided the NMOCD for this application is attached.

This work is scheduled to start during the first week of May, 1997.
