Dear Mr. Gressett:

Re: Eugenie No 2  
Sec 17 T 22S-R27E

Attached are forms 103 and 105 for our drilling and completing the second brine well on our location at Carlsbad.

I prepared these forms on November 30, 1979 and they inadvertently were put into our file without typing, thus causing this delay in reporting.

If additional information is desired, please call me.

Very truly yours,
