Gentlemen:

This is to advise that on July 17, 1981 the Adams Exploration Company's Ann Com. #1, Morrow gas well located in Unit G of Section 15, Township 24-S, Range 28-E, Eddy County, New Mexico was disconnected from El Paso Natural Gas Co.'s gathering system. This meter will remain on location, serving new Strawn zone, until permanent status of the measuring arrangement is determined.

This disconnection was due to well being recompleted from Malaga Morrow to Undesignated Strawn.

Yours truly,

PERMIAN DIVISION DISPATCHING DEPARTMENT
