Subject: James Ranch Unit #10

James Ranch Unit #10
API #30-015-23075
Federal Lease #NM-02884-B

This well has been returned to production effective June 12, 2002. This well was part of Case #12811 requiring operators to bring wells into compliance with Rule 201B. Please advise if further information is needed.

Thanks

Tami Wilber

Have a great Day! ☺
