Gentlemen:

We received the Notice of Gas Connect on the subject well, however, as of this date we have not received any subsequent reports on this well since April when the 7 5/8" casing was ran. You need to file a deviation test, 4 Point test, copy of all logs ran, C-104, and C-105 before an allowable can be assigned.

Your attention to this matter will be appreciated.

Sincerely,

Mike Williams  
Oil & Gas Inspector
