Gentlemen:

This is to advise that on January 20, 1982 the Aminoil USA, Inc.'s Guitar #1 (Morrow) gas well located in Unit 0 of Section 10, Township 24S, 28E, Eddy County, New Mexico was disconnected from El Paso Natural Gas Co.'s gathering system. This well never produced gas from this formation to El Paso Natural Gas Company.

This disconnection was due to well being recompleted to Wildcat Bone Spring oil by Dinero Operating Company; which is the current operator of the well. The Bone Spring well is connected to El Paso Natural Gas Company's system as of January 20, 1982. (Meter 58-319-01)
