Describe the proposed or completed operations (clearly state all pertinent details, including equipment, facilities, including data storage, processing, and retrieval) and the results of the operations.

October 20, 1981: Ran Rods and Pump in hole.

Set Pumping unit. Well is making too much gas to attempt swabbing all of lead water back. Shut well in and we are waiting on the connection for gas sales. The well will be potentialized later.

December 30, 1981: Install Gas Compressor.

Well is still shut in.

I hereby certify that the information above is true and complete to the best of my knowledge and belief.
