

Based upon the search and examination described above, he has concluded to the best of his information and knowledge that the well Cassidy Farm #1, API No. 30-C15-23346 is a stripper well; that the production records, tax records, billing statements, or summaries of such records or billing statements relied upon in the application are correct; and that he has no knowledge of any other information not described in the application which is inconsistent with this conclusion.

He further states that he has mailed, or caused to be mailed, postage prepaid, a copy of the completed Form FERC 121, Application for Determination of the Maximum Lawful Price Under the Natural Gas Policy Act, to the purchaser(s) and to the colessee(s) and/or working interest owners, which are listed separately.

To the best of his knowledge and belief, all information contained in this application for category determination, pursuant to the NGPA, is true and correct including all documents, testimony, and evidence submitted with the application.
