Re: Mosley Spring 32 St Com  
#1-N-32-23-25  
Eddy County, NM

Gentlemen:

In regards to the attached C-103, I am not familiar  
with the recl-mix. Is it the same as redi-mix?  
How many yards of this material was used?

Your attention to this matter will be appreciated.

Sincerely,

Mike Williams  
Oil & Gas Inspector
