Re: Collins State #1
Unit D, Sec. 4-24S-27E
Eddy County, NM

Gentlemen:

This office has received a complaint about the condition of the location on the subject well from the State Surface leasee.

A field inspection trip on December 4, 1980, revealed the pit and cellar were uncovered, the deadmen had not been removed and there was considerable junk scattered around on location.

These problems need to be taken care of as soon as possible.

Please notify this office as soon as the above mentioned work is done.

Sincerely yours,

Mike Williams
Oil & Gas Inspector
