Gentlemen:

We are returning your C-104 on the above captioned well so that you may bring your information on it up to date.

\* Your previous C-104 indicated that Cities Service Company was the oil purchaser, not the Permian Corporation.

\*\* It also indicated that Cities Service Company, as well as El Paso Natural Gas, was a gas purchaser.

If there has been any change in transporters, please indicate the changes on your C-104 and return it to us.

Very truly yours,

*Leslie A. Clements*
