Gentlemen:

This is to advise that on November 12, 1982 the Cities Service Company's Federal N Com. #1-Morrow gas well located in Unit I of Section 5, Township 23S, Range 26E, Eddy County, New Mexico was disconnected from El Paso Natural Gas Co.'s gathering system. This meter is blind plated and will remain on location temporarily, but inoperative, until permanent status of the measuring arrangement is determined.

This disconnection was due to notice from the operator of plans to plug the well. (Meter #58-475-01, Site Code #32650-01)

Yours truly,
