Dear Mr. Clements:

Attached are five (5) copies of form C-104 on the above-referenced well for the recompletion from the Canyon lime.

We plan to flow the well a few more days to clean it up prior to running the 4 point test and filing the other required forms.

If you need additional information on this well, please call me at 915/682-1762 or 682-5101

Very truly yours,

Dewey E. Thornton
