Gentlemen:

We are in receipt of your C-103 on the commingling of the pools shown above on the above captioned well. Also, the DHC approval on the above well.

However, before a new allowable can be assigned, we will need a new C-116, GOR Report for the commingled oil.

Please send the GOR Report as soon as possible so that we may assign you an allowable for the Undesignated Delaware Pool.

Very truly yours,
