Re: Extension of Time  
Order No. R-6804

Dear Mr. Jennings:

Reference is made to your letter dated December 23, 1981, requesting an extension of time in which to commence the drilling of a well on the lands pooled by Division Order No. R-6804.

Said order requires the unit well to be commenced on or before the first day of January, 1982, but you anticipate possible delays in such commencement resulting from rigging up and testing a brand new rig on the location.

Time for commencement of drilling operations under Order No. R-6804 is hereby extended to February 1, 1982.

Very truly yours,

JOE D. RAMEY,  
Division Director
