Re: Form C-115
Rule 1115

Gentlemen:

A review of our files indicates that we have not received Form C-115, Monthly Operator's Report, from you since you purchased two wells from El Paso Natural Gas Company.

The last report we have was before you began operating the two wells, which was August, 1983. The wells are the Jurnegan State Com #1-L-12-24-24, and Jurnegan State Com #2-G-12-24-24 in the Baldrige Canyon Morrow.

These reports are to be postmarked no later than the 24th day of the next succeeding month.

If these wells are shut-in, please let us know. If they are still producing, they need to be shown, as producing. Even if they are shut-in, they should be listed on your Form C-115.

Please inform us of the status of these wells as soon as possible, and bring your C-115 file up-to-date.

Very truly yours,

A handwritten signature in cursive script that reads "Leslie A. Clements".
