Re: Veraguth Com. #1 Mud and Cuttings

New Mexico Oil Conservation Division  
Drawer DD  
Artesia, NM 88210

Gentlemen:

In response to our telephone conversation of June 1, 1981 (Freeman-Gresset), we propose to move the mud and cuttings from our Veraguth Com. Well #1, located in Section 18, T-23-S, R-28-E, N.M.P.M., Eddy County, New Mexico, to a private pit owned by Ronnie Corral, located in Section 36, T-23-S, R-28-E, N.M.P.M., Eddy County, New Mexico.

The well is located in an alfalfa field and the mud and cuttings must be removed to allow irrigation.

Yours very truly,

*S. J. Okerson*
