Dear Mr. Gressett:

Attached are five (5) copies of form C-104 on the above-referenced well.

Also attached is a list of deviation surveys furnished by Kenai Drilling Company and one set of open hole logs.

We plan to flow the well a few more days to clean it up prior to running 4 point test and filing the remaining forms.

If you need additional information on this well, please call me at 915/682-1762 or 682-5101.

Very truly yours,

  
Dewey E. Thornton
