17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

This well was originally permitted as the Moore Fed Com #2 and was targeted for the White City Penn gas zone but due to mechanical problems was plugged back to the Delaware oil zone. Consequently, the reduced acreage attributed to this well no longer requires communitization. Please change your records to reflect the new well name listed in block 8 above.
