Gentlemen:

Subject: Gas-Oil Ratio Test
Moore #2
Wildcat Delaware Completion
Eddy County, New Mexico

We have not filed a GOR test (Form C-116) due to this well not being on stream at the present time. We have attached correspondence which should further explain our reasoning. Please advise if your department is not agreeable to the deferral of the state required GOR test at the present time. We expect to have the gas lift equipment in operation by March 8.

Sincerely,

A handwritten signature in cursive script that reads 'Michael P. Houston'.
