Malaga Atoka Pool

Gentlemen:

Before an allowable can be assigned to the above captioned well, it will be necessary to apply through the Santa Fe office for a tubing exception approval.

According to Rule 107, in the State Rules and Regulations book, tubing shall be set as near the bottom as practical and tubing performances shall not be more than 250 feet above the top of the pay. The tubing on this well has been set 1529 feet above the top of pay.

If this office can be of any assistance, please contact us.

Sincerely,

Leslie A. Clements  
Supervisor, District II
