Gentlemen:

You currently have two wells in section 35, township 24, range 26, Eddy County, New Mexico, and both wells are named Moore Federal Com #1. One well is in Unit K, and one well is in Unit E.

As you know, you cannot have two wells with the same name. Therefore, you need to file a C-104 with this office changing the well number of the well in Unit E to #2. This will avoid confusing the well with the Moore Federal Com #1 in Unit K.

Very truly yours,

Leslie A. Clements  
Supervisor District II

*Name is  
Moore Fed Com "1-E" in Unit E*
