

INSTRUCTIONS

This form is to be filled with the log, by the District Office of the Division, not later than 20 days after the completion of any newly drilled or cased well. It shall be completed by one copy of all electrical and fluid activity logs run in the well and a summary of all special tests conducted, including drill stem tests. All depths reported shall be measured depths. In the case of directionally drilled wells, true vertical depths shall also be reported. For multiple completions, Items 30 through 34 shall be reported for each zone. The form is to be filled in quadruplicate except on water land, where six copies are required. See Rule 1.05.
