

ABSTRACT

New Mexico Archaeological Services, Inc., representing BELCO PETROLEUM COMPANY, Houston, undertook an archaeological reconnaissance of Bureau of Land Management lands scheduled to be impacted by the construction of a drill location and its associated access road. The investigated area is situated in Sections 6 and 7, T23S, R31E, NMPM, Eddy County, New Mexico. No cultural resources were recorded during this reconnaissance, and hence NMA is suggesting clearance for BELCO PETROLEUM COMPANY's proposed work.
