Gentlemen:

We are in receipt of your C-103's and C-104's dated March 24, 1983, on the above captioned well.

However, we are returning the C-103's so that you can show the length of casing test as required by Rule 107.

We will hold the C-104's requesting a testing allowable until such time as we receive information regarding the perforations and correct C-103's.

Very truly yours,
