Dear Mr. Bruce:

In reviewing the subject application, I could find no record of "operations" in the adjacent 40-acre tract dedicated to the subject well, being the NW/4 SE/4 of said Section 14. Was notification to all affected parties provided, pursuant to Rule 104.F(3) of the General Rules and Regulations of the New Mexico Oil Conservation Division ("Division"), revised by Division Order No. R-10533, issued by the Oil Conservation Commission in Case 11,351 on January 18, 1996.

Should you have any questions concerning this matter, please contact me in Santa Fe at (505) 827-8185. Thank you.

Sincerely,

Michael E. Stogner
