Gentlemen:

We are returning your C-103 dated November 22, 1983, on the above captioned well so that you can supply the following information:

1. Grade and weight of 8 5/8" casing,
2. Length of casing test on the 8 5/8" casing,
3. WOC time and casing test on 5 1/2" casing.

Also, before approving this C-103, we would like to know why it is dated November 22, 1983, when your C-103 regarding the completion of the well also shows that it was signed November 22, 1983.

Very truly yours,

Leslie A. Clements
