Wildcat Delaware Pool

Gentlemen;

Please submit a new production test, C-116, showing oil,
gas and water produced.

We need this to approve the NFO on Rule 306, due to the
discrepancies indicated by test results given on C-116
and C-105.

If you have any questions on this matter, please feel
free to call.

Sincerely,

A handwritten signature in cursive script, reading "Leslie A. Clements".
