Re: Change of Bond

Gentlemen:

We acknowledge receipt of your C-103's and C-104's changing the operator on your wells from Jake L. Hamon to Hamon Oil Company.

However, before this change of operator can be effected and before any C-103's regarding work in progress can be approved, we must have an approved bond covering your wells in the name of Hamon Oil Company.

Once you send the proper bond to Santa Fe, and we receive approval of the bond from Santa Fe, all of the paper work we are holding on your wells will be approved and processed.

Very truly yours,

A handwritten signature in cursive script that reads "Leslie A. Clements".
