RE: *Administrative application of Santa Fe Energy Resources, Inc of an unorthodox oil well location for the Weems Well No. 1 (API No. 30-015-24827) located 990 feet from the North line and 1330 feet from the West line (Unit C) of Section 27, Township 22 South, Range 27 East, NMPM, Undesignated Wye-Delaware Pool, Eddy County, New Mexico.*

Dear Mr. Bruce:

The attached application, originally filed on April 24, 1997, has been pending further instructions from you since August 29, 1997. To date I have not heard from you in this matter, I am therefore assuming that Santa Fe Energy Resources, Inc. is no longer interested in recompleting this well from the Morrow interval into the Delaware formation. This application is hereby withdrawn and is being returned to you.

Sincerely,

Michael E. Stogner
Chief Hearing Officer/Engineer
