Re: Wersell Fed #2
D-4-22-27

Gentlemen:

According to our records the subject well is now an active salt water disposal well.

In order that our records may be kept current we are requesting copies of Sundry Notices submitted to BLM showing work done to convert the well to SWD.

We also need copies of Sundry Notices showing work done on the Wersell Fed #1 C-4-22-27 changing the status from dual SWD/Producer to Producer.

Your assistance will be appreciated. Thank you.

Sincerely,

A handwritten signature in cursive script that reads "Mike Williams".

Oil & Gas Inspector
