

Application For Determination of
The Maximum Lawful Price
Under the Natural Gas Policy Act
of 1978 (NGPA)

Union- Crawford "27" #3
White City Penn Pool
Eddy County, New Mexico
API Well No. 30-015-24944

Statement by Union Oil Company of
California (the "Applicant")
Required Under 18 CFR, Section 274.204.

The surface drilling of the subject well was begun on or after February 19, 1977.

The subject well satisfies applicable federal or state well-spacing requirements and is not within a proration unit:

- (i) which was in existence at the time the surface drilling of the well began;
- (ii) which was applicable to the reservoir from which such natural gas is produced; and
- (iii) which applied to any other well which either produced natural gas in commercial quantities or the surface drilling of which was begun before February 19, 1977, and was thereafter capable of producing natural gas in commercial quantities.

The Applicant has concluded to the best of its information, knowledge and belief, the natural gas for which the Applicant seeks a determination is produced from a new, onshore production well for the reasons set forth in this application.

The Applicant has no knowledge of any other information not described in this application which is inconsistent with its conclusions.
