Wildcat Morrow Pool

Gentlemen:

In reference to the above captioned well, it is noted that the tubing setting depth is 1,787 feet above the top of the perforations.

Rule 107 D (3) does not provide for setting the tubing more than 250 feet above the top of pay.

You will need a tubing exception approval from the Santa Fe office before an allowable can be approved for this well.

Sincerely,

A handwritten signature in cursive script, reading "Les A. Clements".
