Re: Owen Mesa 25 Fed. Com  
#1-L-25-24-29

Gentlemen:

In reference to the above captioned well it is noted that the tubing setting depth is 1,779 feet above the top of the perforations.

Rule 107 D (3) does not provide for setting the tubing more than 250 feet above the top of pay.

You will need a tubing exception approval from the Santa Fe office before an allowable can be approved for this well.

*Rac.*

Sincerely,

Les A. Clements  
Supervisor District II
