Re: Rule 104-F
IMC Well No. 1
660' FNL & 1650' FWL,
Sec. 27, T-24-S, R-28-E
Eddy County, New Mexico

Gentlemen:

The captioned well is submitted for your approval to drill under Rule 104-F for all zones from the Wolfcamp through the Morrow formation at 13,100'.

The request for the unorthodox location is based on geology and the supporting documents are presented as Exhibit A.

Exhibit B is a map showing ownership of all leases offsetting the proration unit and all wells completed thereon.

Exhibit C is a list of all offset operators, mineral owners where unleased and lessees by section with the latest known addresses.

Exhibit D is a copy of a letter of notification and request for a waiver that was mailed from this office November 26, 1986 by Certified Mail to the parties listed on Exhibit C.

Your prompt attention to this application will be appreciated.

Yours Very Truly,

B. J. Williams
Division Operations Manager
