

### 1. EXISTING ROADS:

A. Exhibit "A" is a portion of a road map showing the location of the proposed well as staked. Point "A" on the plat is on State highway 128 at Milepost 13.7, approximately 19 miles east of Loving, New Mexico, where a caliche road goes south. To go to the proposed well site from this point, exit State 128 to the south and go south, east, and again south 4.4 miles, as shown, to arrive at Bettis, Boyle & Stovall's well No. 1 Lotos Federal. Also see Exhibits "B" and "D". The proposed well site is about 4750 feet southeast of this well.

B. Exhibit "B" shows pertinent roads in the vicinity of the proposed well site. Existing roads are color coded.

### 2. PLANNED ACCESS ROAD:

A. Length and Width: The access road will extend from highway 128 at Point "A" to the well site as shown. Existing road will be utilized from the highway to well No. 1 Lotos Federal. New road will be constructed from well No. 1 Lotos Federal to the proposed well. The new road will be 12 feet wide and approximately 4750 feet long, and is shown labeled and color coded on Exhibits "B" and "D". The centerline of the proposed new road is staked and flagged.

B. Surfacing Material: Caliche. Watered, compacted, and graded.

C. Maximum Grade: Less than one percent.

D. Turnouts: Possibly two.

E. Drainage Design: The new road will be crowned with drainage to the side.

F. Culverts: None needed.

G. Cuts and Fills: None necessary. However, minor levelling will be necessary.

H. Gates and Cattle Guards: None necessary. No fences involved.

### 3. LOCATION OF EXISTING WELLS:

A. Existing wells in the immediate area are shown on Exhibit "B".
