ALTERING CASING

ABANDONMENT*

(NOTE: Report results of multiple completion on Well Completion or Recompletion Report and Log form.)

17. (a) SCOPE, PURPOSE, OR COMPLETION OF OPERATION. (Clearly state all pertinent details; and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.) *

This Sundry Notice is to request a change to the plans on the original drilling plan to construct a 50' x 50' x 10' cuttings pit in order to bury the cuttings on site. The pit will be lined with plastic and after drilling is completed the fluids will be removed and taken to disposal. The pit will then be backfilled with a maximum of 2' of soil on top of the area and restored to BLM specifications. The drilling of this well and construction on the site is to start by the 15th of February.
