Dear David:

I am in receipt of the C-125 for the annual 'Gas Well Shut-In Pressure Report'. Accordingly, I would respectfully like to request 'EXEMPT' status for the following wells located in Eddy County, New Mexico.

- |     |  |     |  |
|-----|--|-----|--|
| (1) | (008369) Anderson 10J #2<br>J-10-20S-25E<br>30-015-26037   | (2) | (008368) Amethyst State Com #1<br>E-32-24S-29E<br>30-015-26542 |
| (3) | (008375) Boyd State 26M #1<br>M-26-19S-25E<br>30-015-24354 | (4) | (008392) Glass 7E #1<br>2-07-19S-26E<br>30-015-25876           |

The reason for this request is that these wells are currently nearing depletion. When shut-in, swabbing is required to re-establish production. We also don't know at what point swabbing will no longer be effective in re-establishing production. Therefore, your consideration to make these wells 'Exempt' is greatly appreciated.

Yours very truly,

NEARBURG PRODUCING COMPANY
