

CONDITIONS

1. The structure is obstruction marked and lighted in accordance with Federal Aviation Administration (FAA) Advisory Circular 70/7460-1, "Obstruction Marking and Lighting", Chapters 3,4,5, and 9.
2. The Cavern City Air Terminal Airport Manager, Mr. Cass Hernandez, is notified at least 48 hours prior to rig erection. Such notice is necessary to allow issuance of a notice to airmen (NOTAM) to alert pilots of the rigs location. The airport manager is also to be notified when the rig is dismantled and removed from site to allow cancellation of the NOTAM. Mr. Hernandez's telephone number is 505/887-3060.
