(Note: Report results of multiple completion on Well Completion or Recompletion Report and Log form.)

13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

Pogo Producing Company plans, in the near future, to complete additional zones in the Delaware. These zones are as follows: 5624'-42' & 5211'-36'. Pogo will produce the new zones separately initially for test purposes then will combine with the other Delaware zones.
