Re: Nash Unit No. 36, Lease NM-0554221

Gentlemen:

As per our telephone conversation of September 7, 2000 you were advised that the Conditions of Approval - Drilling Stipulation, under II Casing: No.3 attached to the subject wells is being amended.

In order that the stipulation is in compliance with Potash Order R-111P we hereby amend the stipulation to read as follows:

3. The minimum required fill of cement behind the 5 ½ inch production casing is to be sufficient to circulate to the surface.

Please note your well records accordingly. If you have any questions concerning this requirement please call Armando Lopez at (505) 627-0248.

Sincerely,

(ORIG. SGD.) ARMANDO A. LOPEZ
